

HANIS NADZIR

PORTFOLIO GRAPHIC DESIGNER

Graduated with Distinction and CGPA of 3.8 in Bachelor's Degree of Film and Television, here are my collective skill in graphic designing for viewing.

PROFESSIONAL PROFILE

Short and straightforward information behind the designer to get you started.

Started trying my hands at digital designing since I was around twelve years old, which collectively gathered my experience to **being ten years in total**. First software that I've used and adapted to ever since would be Adobe Photoshop.

Has had a hand in assisting close friends and clients in designing logos and editing pictures either for professional and/or personal use. Formally, **I've strengthened the skill** during my Bachelor's Degree study for Film & Television where I spent time under several experienced lecturers.

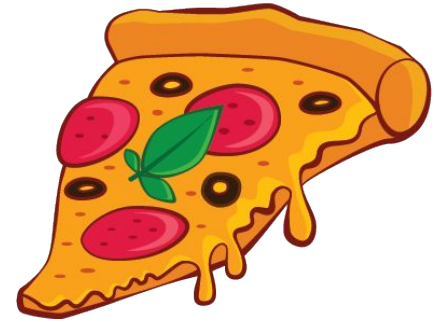

Originated from Selangor, Malaysia. Born in 1998. Looking forward to working with you!
